## Transitions

It seems that my family and I are in a constant state of transition. In August, our oldest daughter Molly transitioned into a new job as a second grade school teacher in Harrisburg. Our youngest daughter Tessa transitioned from a carefree summer into being a full-time nursing student in the UPMC School of Nursing in Harrisburg. Ruth and I began transitioning from life in the Harrisburg to what our lives will be like in southern Lancaster County.

Transitions. Always seem to be happening and some are harder than others. Here is what I have learned though over the last several months. You focus on the transition and you will be overwhelmed. Focus on the Lord and you will be surprised at how God shows Himself strong in the midst of the transition. That certainly has been true for Ruth and I and our family.

In September, we had to say good bye to our church family of over three years at Redland Valley Brethren in Christ Church. We had to begin to transition from seeing our daughters every day to seeing them one or two days a week. We had transition from a busy household of four to a more quiet household of two in a different county and among people we are just getting to know. Even now as the transition continues, we see the hand of God and say "Wow, thanks be to God for all that He has done."

We are praising God daily for your affirmation in calling us to be your pastoral couple. We are praising God that He provided housing close to the church for us. We are praising God for the blessing of the Redland Valley Congregation and the Brethren in Christ as they sent us forth with many words of affirmation. We are praising God for the understanding of our daughters as they forge new endeavors at the same time we are. We are praising God for the affirmation of many in the southern Lancaster County community that have expressed their joy to me and in some cases to my mother that we are returning to serve a great church like Mechanic Grove Church of the Brethren. Transitions often seem hard but they also can come with great blessing. Our transition, our "coming home" has been filled with amazing God moments time and again.

Ruth and I are excited to be a part of the great ministry of The Mechanic Grove Church of the Brethren. We are trusting that my transition into the senior pastor role will be filled with even more God moments as we begin together the next 125 years of ministry. Your continued prayers and encouragement for Ruth and I and our daughters is vital as we seek to be obedient to the Lord's leading. A key passage for me ever since I began seminary has been Proverbs 3:5-6. "Trust in the Lord with all your heart and lean not on your own understanding. In all your ways acknowledge him and he will direct your paths." Indeed, He has been directing our paths for years and we are rejoicing that He has directed our path to you, the Mechanic Grove Church of the Brethren.

Yours and HIS!

Kevin E. Richardson

## *125th ANNIVERSARY CELEBRATION HOMECOMING SUNDAY*

**October 16, 2022**

Throughout the year 2022 we have been hearing information each month about the history and heritage of Mechanic Grove Church over the past 125 years! We have also had the opportunity to see fascinating memorabilia from the past so beautifully displayed in the gathering area! For some, the information shared may have been a story passed down through family members, for others a beloved memory of their own, or just interesting information that you heard for the first time!

While certain aspects of our ministry may have changed over the years, other beliefs have stood the test of time! It has been enlightening and encouraging to hear and see how the church continues to move forward, thrive, and be an active presence in our local community!

We invite our church family and friends to join us as we celebrate our 125 Anniversary with a Homecoming Celebration! This will include one worship service at 10:30 AM , with Sunday School being held at the normal time of 9:30 AM. Worship will be followed by a delicious luncheon, prepared by the folks of Mechanic Grove Church. The luncheon will be followed by a brief program, with guest speaker Pastor Jim Rhen.

Other special guests who will be participating in the day will be Pastor Geraldine Godfrey, Pastor Bob Kettering, Pastor Adam Ulm, Pastor Misty Wintsch and Pastor Earl Ziegler, as well as our own pastoral staff, youth, and children. There may even be an appearance by descendants of the Kreider Quartet! Join us in worship and fellowship as we give thanks to God for his continued presence in this place, and seek His wisdom and guidance as we dream for the future!

Please contact the church office for more information! Please note: The luncheon is free, but a RSVP is required.

*The 125th committee members are: Dave Nichols, Peggy Osborne, Doris Snyder, Lucille Wenger and Denise Young*

# District Conference-Why We Should Care!

Living in the Southern End and attending Mechanic Grove may seem far removed from activities at the Atlantic Northeast District office in Elizabethtown. However, we are and have been connected with ANE in real ways for more years than I know. Connected how? Most recently, ANE staff assisted us in hiring our new pastor, Kevin Richardson. ANE also assisted in screening and affirming the licensing of Josiah Reimold and Rachel Johnson. Not too long ago, ANE helped source, select, and install our new video system. ANE also helps us extend our witness outreach in areas beyond southern Lancaster County. Brethren Disaster Ministries and many others are coordinated through ANE. At its core, ANE helps us do things that would be more difficult, or even impossible, on our own. That is Why We Should Care.

On October 8, hundreds of people will gather at Elizabethtown College to participate in District Conference. Jim Krantz, Doris Aument, Jim Showalter, and Cinda Showalter will represent Mechanic Grove as delegates at this annual meeting. Among the issues they will be working through are the Ministry Investment Plan (Budget), reorganizing the District sections (where nominees for ANE leadership positions come from), and accepting the departure of some congregations from CoB. This conference is both worship and business. The business sessions start on Saturday, October 8 @ 9:00 AM, but are preceded by a virtual Bible study on Thursday, October 6 and a church service at Ephrata CoB on Friday, October @ 7:00 PM. These activities are open to all who wish to participate. There are fees associated with in-person attendance on October 8.

## 2022 District Conference

## October Is Pastor Appreciation Month

Pastor Appreciation Month was established in 1991 and is officially celebrated the second Sunday in October. The mission was to uplift and encourage pastors, missionaries and religious workers by providing physical, emotional and spiritual support.

Let's take time this month to acknowledge, celebrate and give thanks to our pastoral team here at Mechanic Grove, Pastor Bob, Pastor Kevin, Pastor Mary Etta and Pastor Rita (and their spouses) Everyone can support them through our daily prayers for them, their families and their ministries. Others may want to remember them this month with a card, a call, words of encouragement, a lunch invitation… you can be creative! Let's show our support as they lead us on our spiritual journey and provide us with pastoral care. We are blessed to have them among us.

## Grief Support for the Holidays

When you are grieving a loved one's death, the holiday season can be especially painful. We are once again offering: Surviving the holidays on November 5 at 9:30. This two-hour seminar will help in dealing with your emotions, what to do about traditions, will provide helpful tips for surviving social events and show you how you can find hope for the future. Your facilitators are Pastor Rita Carter and Pastor Brian Berkey. If you or someone you know is interested, please contact the church for further information and to register for the seminar.

We are in need of a few Sound and Live Stream Technicians for both the 8:15 & 10:30 worship services. You would be volunteering for one Sunday per month on a rotation. If you are interested, please see Ed Heidinger II or contact him at EdH@mgcb.org or 717.344.4177

Attention all knitters or crocheters: We are hoping to revive our prayer shawl ministry. We still have a few left but would like to make sure that all those in need are blessed by a shawl. The shawls that have been passed out in the last few months have touched the lives of all who received one. If anyone is interested in being a part of this ministry, please contact Pastor Rita or the church office.
