I understand that the staff of Wee Friends Preschool and Primary Program are taking steps to mitigate the spread of illness. These steps include but are not limited to:

Enhanced cleaning of all high touch surfaces, sanitizing as we go throughout the day

Limiting those that enter the facility

Increasing hand washing and use of hand sanitizer

Sanitizing of shared items

Individually packaged snacks

Individual boxes for each child with art and writing supplies

I understand that the staff will carry out these procedures to the best of their ability out of love and care for my child, but I also understand that things happen and there is still the possibility that my child may get sick. I will hold Mechanic Grove Church of the Brethren and Children's Outreach Ministries harmless in the case of an accident and/or illness when care has been provided by prudent persons doing their best to oversee children in a group setting.
