

Wee Friends Preschool

February 2021

Wow, January has flown by so fast! I have started to do kindergarten readiness testing and will continue this month. I will be scheduling conferences for sometime near mid March, I will let you know closer to the time when we are given a date.

This month we will focus on letters Gg, Vv, Oo, and Pp. **FRIDAY, Feb. 12**, we will have our Valentine party! A snack list will be texted. We will have bags made for each of them to drop Valentines in. Try to have them sign their own name- this is a great practice! A class list is listed below. **Fri. Feb. 19**, We will also be making our own pizzas for the letter P.

SHOW-N-TELL will begin this month as well. It will need to be something that they can keep in their backpacks. Our first show-n-tell day is Friday, Feb. 5. Bring something they love, can be a picture or a favorite toy.

Along with learning about dental health this month, we will also be talking about our 5 senses, groundhog day, Presidents ' Day, the heart and star shapes, and colors pink, gray, and white. Our memory verse will be: "Love one another" (John 15:17).

There is **NO SCHOOL Mon., Feb 15**
 ****looking ahead to March: on **March 1**, we will have pajama day and celebrate Dr. Seuss's Birthday by eating green eggs and ham!!

SNOW REMINDER

We follow Solanco's schedule, so if Solanco is delayed, then we will have class from 11-1 and send in a light lunch, **IF Solanco is closed, then we are closed**
