

**Wee Friends Preschool Class 4D
October 2021**

Dear Parents,

I can't believe our first month of school is already over! We've been very busy reviewing shapes and colors. We've been learning new songs. Hopefully you've been hearing them at home or at least parts of them! We will continue to learn a new letter each week. Remember we are sending a fun worksheet home for each letter so you know what we are learning. We'll be spending time talking about the season changing into autumn/fall and doing some fun crafts. Volunteer firemen from the Quarryville fire department will visit us a day and teach us about fire safety. The children will get to see a fire truck up close. We are also collecting bottled water for the fire department as a "thank you" for all their hard work and for being so generous with their time to come talk to us. We ask that your child donate at least a bottle of water but if anyone wants to do more that would be great! This is always an exciting day. We will end this month with a "fall" party! This year we are allowing children to dress up as a "princess" or "super hero" for the day. Continue to help your child at home writing their name and any help with scissors would be wonderful! We'll be using them more as the year goes on. This group is so much fun and we enjoy having them in our class!

October

Colors ~ Orange & Black *Remember to wear these colors throughout the month!

Theme ~ Fall Season

Bible Stories ~ Noah

Bible Verses ~ "But Noah found grace in the eyes of the Lord." Genesis 6:8
