For CLASP, Summer CLASP and Child Care Enrollees: Mechanic Grove CLASP and Child Care are a participating provider with ELRC (Early Learning Resource Center) of Lancaster County. **In order to be considered for these scholarships, you must first apply for financial assistance through ELRC. If you do not qualify through ELRC, you may bring verification from ELRC of this fact and contact the Administrator.** Tuition not covered by your ELRC scholarship must be paid in accordance with the program's schedule. Mechanic Grove Church of the Brethren has limited scholarships available for families in need of further financial assistance. These scholarships are made possible by the members of Mechanic Grove Church of the Brethren who value and love your children and want to make it possible for you to have affordable child care. Financial aid scholarships are provided to working parent(s). Scholarship amounts are based upon availability, family income and necessary household expenses. Financial Aid Applications are reviewed in confidence by the Administrator of the Children's Outreach Ministries. They may also be reviewed in confidence by the Children's Outreach Ministries Board at the discretion of the Administrator, as necessary. The scholarships are re-evaluated every six months (or more often if there are changes to your circumstances.)
