Any week containing a holiday (see attachment B) will be charged at the normal weekly rate since we incur costs whether we are closed or open on holidays.

However, if we are closed due to inclement weather, \$35 FT/ \$20 PT will be deducted from your account for that day. This universal figure simplifies our accounting and your ability to determine how much you owe the following week. We will no longer advise you of your total due for the coming week since this has been simplified. Please note this deduction applies only to those who were scheduled to be here on an "inclement weather day" and are not receiving scholarship aid from the church.

From page 8 of Parent Handbook:

On inclement weather days, a parent must notify the center prior to 7:00 a.m. if their child will not be attending Child Care. This data helps us to decide whether to close. When the center is closed all day for inclement weather, a credit will be applied to the next week's tuition (see Attachment A) **only if we have been notified on time.** Our goal is to be open whenever possible, but we do need to balance staff safety with parent needs and we will err on the side of safety as necessary.
