## Mission Statement

The children of this program will be  
educated through a Christ-centered  
atmosphere. We will nurture children  
using Bible stories. Through Him, the  
children will love learning and seek Him  
more openly.

## Vision

To help instill Christian values along  
with educating the children in reading,  
writing, math, small and large motor  
skills, and social skills. To prepare the  
children to glorify Jesus through  
everyday interactions with others and to  
strive to be more like Jesus every day.  
Through these values, the children will  
become productive members of society  
and will strive to make the world a better  
place.
