

Monthly Happenings. . .

As I write this, March has not arrived and the weather can't decide if it's still winter or if spring has arrived. Will March come in like a lion or a lamb? We shall see!

We had so much fun in February. From all the crafts to the joy on the children's faces as they distributed their Valentines to their classmates!

This month we will hear the story of Zaccheus and how Jesus went to his house for a visit. Crafts continue to be favorites, along with coloring, hearing stories and playing.

We will have some St. Patrick's Day fun this month. Will the Leprechauns get caught or will they wreak havoc in the room??

The children continue to amaze me! They have all been putting on their own coats at the end of the day. Ask them to show you, but you may want to stand back!

We have so much fun with your children and watching them blossom and their little personalities coming to life. I hope they have as much fun as we are!
